Our mission:

Break down barriers, bring people together and build people up.

Our motto:

Work together to change lives and transform our community

By hiring from BDCA, you are helping your local community!

Bonny Downs Community Association is a community-led charity serving the residents of the vibrant but disadvantaged London Borough of Newham since 1998.

We make a lasting difference to local people's lives by addressing root causes of poverty, tackling isolation, encouraging healthier lifestyles, promoting community cohesion and redeveloping disused spaces into meaningful community places.

When you book with us, every penny generated from venue hire is reinvested directly into our charity, so that we can provide a wide range of activities and services for local people, which include:

- **Community Support:** supports local people in crisis through our Food Bank, Food Club, Advice services, and NewDay centre for adults experiencing homelessness
- **Children and Families:** helps local families bond through play groups, trips and events and get support through advice, clothes bank, and courses
- **Older People:** improves health and wellbeing for older people through social groups, gentle exercise, creative activities, celebration events and trips
- **Young People:** empowers young people by giving them opportunities to develop new skills, grow confidence, get active and reach their potential
- **Sports and Fitness:** provides inclusive free physical activities for people of all ages and background to stay active, connected and healthy
- **Community Garden:** enables diverse neighbours to reconnect with nature, make friends, grow, harvest, cook and learn about healthy food.
